in furniture and decoratives.*

**Berling Baroque Chalk Paint is a smart decoration paint. With Baroque chalk paint, you can paint any surface!**

It can decorate many surfaces such as wood, metal, plastic, brick and cement surfaces and already painted or varnished surfaces. But the most common surface where Chalk paint is used is wood. Mostly old furniture in which we want to give a note of renewal or new furniture which we want to look like old! Baroque Chalk Paint gives a matte finish velvety effect, like that of chalk, that is why the name of chalk paint is inspired by this result! In addition to the uniform matte effect, the main styles that can be achieved is among other things the feeling of aging - vintage, shabby chic and decoupage. Baroque Chalk Paint, brings an aura of freshness and gives new breath to your furniture. It helps you to transform easily, quickly, and economically, any surface you choose!

**Baroque Chalk Paint is easy to use, you can choose from a palette of 12 shades the one that suits your space, that that will give life to your space, the one that will set your mood!**

- In most surfaces no need for preparation
- No need for sanding or primer
- It is odorless
- It dries quickly
- It has great coverage.
- Available in 0.5lt packaging

### Baroque Varnish

After application and after the surface dries well, use Baroque Varnish. Baroque Varnish is a matte water-based varnish that will better protect the surface from bumps, peeling, etc. and will give a longer life! Consult the Technical Data Sheet of the material for the application instructions.

## Shades

The samples in this booklet may deviate from the actual ones due to the limitations of the printing press technique.
